## EWASTE FEE COLLECTIONS a/, by Fiscal Year, 2005-06 TO 2013-14

## Footnotes

- a. Effective January 1, 2005 retailers are required to collect the electronic waste (eWaste) recycling fee from the consumer on the retail sale or lease of certain new or refurbished video display devices called "covered electronic devices" (CEDs). This revenue includes self-assessments from returns for sales and leases during the year; and, therefore, differs from the figures in Table 36B which are on a modified accrual basis.
- b. Preliminary.
- c. Effective January 1, 2013, the fee was decreased from \$6 to \$3 for small CEDs, from \$8 to \$4 for medium CEDs, and from \$10 to \$5 for large CEDs.
- d. Effective January 1, 2011, the fee was decreased from \$8 to \$6 for small CEDs, from \$16 to \$8 for medium CEDs, and from \$25 to \$10 for large CEDs.
- e. Effective January 1, 2009, the fee was increased from \$6 to \$8 for small CEDs, from \$8 to \$16 for medium CEDs, and from \$10 to \$25 for large CEDs.
- f. The eWaste recycling fee was first effective January 1, 2005, at the rate of \$6 per unit for small CEDs, \$8 per unit for medium CEDs, and \$10 per unit for large CEDs. The fee is based on the viewable size of the video display, measured diagonally.
